Dear Jonathan,

Silver Hessa is cleared for fuel oil ops.

Vessel is suitable for Jetty 1 & 2.

There will be tidal restrictions for her berthing/unberthing at Jetty 1 & 2 if her draft exceeds 11.4m and 11.1m respectively.

Vessel's ballast freeboard including the manifold height is within Jetty 1 & 2 MLAs working envelopes.

Best regards,

John

Dear John,

Please help to vet the subject vessel for fuel oil ops @ Seraya.

Attached is the latest updated Q88 of the vessel. Thanks

Warm Regards,

Jonathan Goh
