Dear Sharon,

No. 2 Heung-A Pioneer is cleared for GO ops.

Vessel is suitable for Jetty 1 & 2.

If her arrival/departure displacement does not exceed 10,650MT, berthing her at Jetty 3 is also possible.

Vessel's freeboard including the manifold height is within Jetty 1 & 2 GO MLAs working envelopes.

Best regards,

John

Dear John,

Kindly help to clear above vessel for GO operations please.

Regards,

Sharon Tan
